

ONSITE EMPLOYEE CLINIC

Health

Prevention

Wellness

TREK

7:00am – 4:00 pm

Health Services

- Standard services include evaluation of sore throats, ear pain, rashes, allergies, upper respiratory illnesses, prescribing medications, and blood draws, including cholesterol and lipid panels.
Free prescriptions are also available.

Wellness Services

- Wellness Services include assistance with blood pressure, weight, diabetes, and cholesterol management.
-

Occupational Services

- Occupational services include evaluation of minor work related injuries such as small abrasions or cuts and removal of sutures

The Trek clinic will be open Monday thru Friday from 7:00am - 4:00pm and will be accepting patients that are employees of Trek.

You are encouraged to make an appointment, however if you need to be seen sooner, walk-ins will be seen as the provider is available. Appointments for Health and Occupational Services will be approximately 15 minutes and Wellness appointments will be approximately 30 minutes.

The clinic will be staffed by providers from UW Health Partners Watertown Regional Medical Center.
